

Warranty

This machine is warranted to be free of defects in materials and workmanship for a period of one (1) year from the date of purchase. This machine has been factory tested prior to packaging at the Distribution Center and is warranted to be in satisfactory working order prior to shipment.

This warranty does not apply to the following conditions:

- Damage as a result of misuse or abuse of the machine
- Damage as a result of a foreign object or substance entering the machine
- Damage as a result of tampering, alterations or unauthorized repair
- Damage as a result of improper packaging by the customer prior to shipping
- Damage resulting from shipment by the customer
- Incompatibility due to changes in coin or currency size, shape or materials

In the event of a warranty claim, the machine should be returned to the Semacon Service Center at the address listed below. Please contact Semacon prior to the return of the unit to get an RA number and arrange for pickup and shipment at Semacon's expense. Semacon shall only be responsible for transportation costs for shipments in the continental U. S. and when the repairs are due to manufacturing defects. Do not return the unit to Semacon without an RA number.

OUT OF WARRANTY REPAIR

Following the warranty period, this machine may be returned for repair or preventative maintenance to the Semacon Service Center at the address listed below or your point of purchase. Please contact your distributor or Semacon to determine the correct location. The unit will be fully tested and the repair costs will be estimated and provided to you for approval. If the estimate is accepted, the machine will be repaired and shipped to you as quickly as possible, generally in 24-48 hours.
